FLAVOUR PROFILE

This is a delightful, aromatic dry rosé made from handpicked Malta-grown red Grenache and Cabernet Sauvignon grapes, renowned for producing top-quality pink wines. This delicious slightly spicy rosé has a precise nose and tastes of cotton candy, strawberries and juicy red summer fruits. It shows real regional character and brims over with refreshing crunchiness.

WINEMAKER'S ACCOLADES

This dry aromatic wine thanks its finesse and opulence to the right harvest moment, a crucial decision that ensures the fruit forwardness of this rosé. The weather conditions in Malta are optimal for making this style of wine. It is produced directly from grapes that were destined to make a great pink wine. Vineyard selection is key, as well as temperature control during the entire process from grape reception through to the quality-controlled bottling operation and cold warehousing of the final wine.
