FLAVOUR PROFILE

Made exclusively from the Sauvignon Blanc variety, this fresh dry white wine entices with grassy aromas and tangy fruity flavours of green apple, grapefruit and kiwi. It is a delicate, aromatic wine with an unmatched and pleasing local expression thanks to the skilful care for the vines judiciously planted in calcareous soils.

WINEMAKER'S ACCOLADES

With an expressive grape like Sauvignon Blanc, even minor climatic differences and weather variations within a region can transform a wine. The Sauvignon Blanc vine often buds late but ripens early, which allows it to perform well in sunny terroirs like Malta when not exposed to overwhelming heat. Great care has been taken by Delicata's team during vineyard operations to preserve the goodness and varietal characteristics of the grapes.
