FLAVOUR PROFILE

Made exclusively from handpicked Cabernet Franc grapes from selected vines grown in tal-Ħamri or terra rossa soils, this garnet red wine is packed with intense fruity flavours of black cherry and black currant. This unoaked, elegant dry wine is medium to full bodied, and true to the variety's appealing regional attractiveness.

WINEMAKER'S ACCOLADES

Due to its relatively early ripeness, the Cabernet Franc grape is in favour in relatively cool climates. However, it does not depend on this weathered zone and also thrives well in warm climates where it tends to produce ripe and juicy wines. This Maltese example, however, has been carefully vinified into a well-balanced expression of the variety that entices with vegetal characteristics as well as fruitiness and spice.
