

"Delicata's Frizzante range of native grape varieties has been awarded grand prizes in France and the UK."

WINEMAKER'S MEMO

Unoaked and with a flurry of pristine primary varietal character, unsullied by autolysis of yeast, this modern-made sparkler entices with a hint of sweetness and bags of fruity goodness.

It is a rich, sultry sip packed with luscious strawberry flavours partnered with delicate touches of fresh herbs and a hint of liquorish, all edged by firm, fresh acidity thanks to careful fermentation in inox at controlled temperatures.

FLAVOUR PROFILE

This semi-sparkling wine makes for an effortlessly enjoyable but elegant sip. Ġellewża Frizzante is Malta's original 'lifestyle' rosé wine, made entirely from the unique indigenous red grape variety Ġellewża. Salmon pink in colour, this medium-dry sparkler is bursting with ripe fruity flavours.

A delicate strawberry bouquet is followed by a steady stream of fizz and fruit.
